Applications

Applications for Summer 2017, Fall 2017, and Spring 2018 are now open.

Fall 2017 Enrollment

Graduate enrollment data for Fall 2017 has been released. Below are some highlights:

- Total number of graduate students: 3,091
- Number of new graduate students: 843
- Number of full time students: 1,055
- Total increase since 2012: 17%

Please see the attached document for full details: Fall 2017 Enrollment

FUSE and GRACA Information Sessions

Registration is now open for 30-minute information sessions about applying for internal funding programs during the 2016-17 academic year. Both undergraduate and graduate student opportunities are available and will be covered in these sessions, which began August 31, 2016. Please make sure your students are aware of these opportunities! Students must register for this event using this link: https://mavgrants.unomaha.edu/ems/event.php?eventID=23

Recruitment/Marketing Meetings

In the coming months we would like to meet with representatives of each graduate program, including Deans (or reps), Graduate Program Chairs, and interested chairs/directors, to discuss recruitment and marketing strategies. We are putting forth more energy than ever into our general office’s recruitment and marketing operations, and we will do the same to help each program’s individual efforts as well. Please contact Alli Miller at akmiller@unomaha.edu or Jerilyn Kamm at jhyneskamm@unomaha.edu to discuss setting up a meeting time.

Student Learning Outcomes/Assessment and Graduate Programs

All graduate programs should have articulated student learning outcomes and an assessment plan. In 2016-2017, the Graduate Council Committee on Planning and Academic Policies will review all graduate plans and discuss the potential of a set of outcomes common to all graduate programs.

Graduation Deadlines
