

MIDWEST STUDENT EXCHANGE PROGRAM

UPDATED TERMS - EFFECTIVE FALL 2018

Detailed below are the terms governing the Midwest Student Exchange Program (MSEP) for graduate enrollment. The MSEP is a tuition waiver applied to non-resident tuition creating an amount 150% of the regular in-state tuition rate.

1. Students must be admitted to a graduate degree program and meet all academic requirements. You must remain in good academic standing and maintain a minimum cumulative grade point average of 3.00.
2. Students must be enrolled at least half-time graduate status (4 or more graduate credits/semester).
3. Renewal of the MSEP benefit will be dependent upon the review of your UNO cumulative grade point average on a yearly basis and meeting the renewal criteria at the end of the spring semester each year.
4. The MSEP benefit will be cancelled if you withdraw from school or fail to register for consecutive semesters (excluding summer), unless an exception is granted because of extenuating circumstances.
5. The MSEP benefit (when successfully renewed) may be used until you have earned a UNO graduate degree.
6. UNO online/distance education courses/tuition: MSEP participants will be billed at the distance education non-resident tuition rate or 150% of the distance education resident rate, whichever is less.
7. The waiver does not apply toward resident tuition or any student fees and cannot be used for remedial or audit courses.
8. Documents required to determine eligibility:
 - Most recent year's state tax return from a MSEP member state
 - Completed Midwest Student Exchange Program form

To ensure consideration, this agreement must be submitted by the first day of classes for the initial entry term at UNO. Please return required documents to:

UNO Office of Graduate Studies
6001 Dodge Street
203 Eppley Administration Building
Omaha, NE 68182-0286

Effective Fall 2018, I agree to accept the tuition benefits of the Midwest Student Exchange Program. I understand that my tuition billing will reflect non-resident tuition charges with a waiver applied to reduce the total tuition amount to the 150% MSEP benefit and that I will be keeping my home state as my state of residence.
