These programs are available to employees of UNO at a 25% discount. NBDC course catalogs are published three times per year and are available at the UNO Information Counter in the Eppley Administration Building and the NBDC offices in MH 200.

Where employees are assigned training by a department, NBDC accepts payment through internal charges. UNO employees and members of their immediate family (spouses and children aged 18 or younger) who wish to take training on their own still get the 25% discount and may pay by check. Please contact the NBDC office to process your registration using the UNO 25% discount. (Online classes are excluded from this discount.)
