

# GET YOUR SEASON TICKETS WHILE IT'S HOT!

As much as we love warm weather, we REALLY like the cold (you know why). But, the heat is always on here and summer means it's your time to join our family as a season ticket holder.

Season Tickets for the 2019-2020 season are available and we could give you a million reasons you should come on board, but instead we'll give you 3 just to save a little time.

1. We are ALL for ONE this season. We are truly a family here and that's why we've brought family pricing to life. With \$1 kid and student season tickets, there is no better value in the metro area sports and entertainment category.
2. Benefits include unlimited mulligan nights and interest free payment plans up to 9 months. If you miss a game (which we know will happen with 30 games), you can redeem your tickets and get free tickets to any other non Lincoln game.
3. With All USHL 3rd team goalie and NHL draft pick Akira Schmid returning next year, along with top 100 NHL prospects Bryce Brodzinski and Rhett Pitlick, the Lancers are primed to be a fantastic team next year.

These are just 3 reasons you should consider becoming a season ticket holder today. You can view more info and see every benefit by clicking below.
