Preview Course with the Student View

Click the Settings link in the Course Navigation [1]. Click the Student View button in the Sidebar [2]. Now browse your Simple Canvas Course through the eyes of a student. You should browse through:

- The Home/Syllabus page
- The Announcements page
- The Discussions page
- The Assignments page
- The Grades page (What are Grades and the Gradebook?)
- The Files page
- The People page (How do I use the People page as an instructor?)
