

## How to Register for the English Placement Exam for International Students

1. Log onto your MavLINK account using your NUID and password on mavlink.unomaha.edu.

2. On the right side of the screen, look for the Hot Links section, and click on “Register for Exams.”

3. In Step 1, choose the “Placement Exams” group.

4. Choose the “English Placement Exam International Students” for your exam.

- Read the Exam Description, and then sign up for a test date. Choose a test date that is convenient for you, and please remember, you can only take this exam 2 times in a calendar year. Choose a test date that is late enough in the session that you have had extra practice in your Reading, Writing, and Grammar class, but don't choose a date that is too late if you are in AT-UNO or are trying for Admission by Permission. The tests can take up to 1 week to be scored. Look for tests that are during Week 4 or Week 6 of the session.
