Future ILUNO students: UNO has partnered with an off campus housing listing service, found at this link: https://offcampushousinglistings.unomaha.edu/

It is strongly suggested you tour apartment complexes before signing any contracts/leases.

UNO does not inspect or offer any guarantee for the condition or quality of apartments off campus, does not endorse any properties, and is not responsible for arrangement of rental contracts between individual tenants and apartment landlords. Students should never transfer or wire money.

Students who do not have Social Security numbers or those who will live in Omaha for less than one year should contact, UNO International Advising, at for more information on finding an off-campus apartment.
