

# INTERNATIONAL TRAVEL

## Do I need to quarantine after traveling to the United States?

### VACCINATED

If you have received a World Health Organization approved vaccination, you will **not** need to quarantine upon arrival to the United States.

Proof of vaccination is required. Submit documentation to the UNO Office of Health Security by clicking [here](#).

Get tested 3-5 days after your arrival in the United States. Click [here](#) for options to get tested.

### NOT VACCINATED

You must quarantine:  
With a negative test - for a full 7 days after arrival  
Without a negative test - for a full 10 days after arrival

If you have an on-campus housing contract, quarantine housing is available. Please [email](#) UNO Housing to make arrangements.

Get tested 3-5 days after your arrival in the United States. Click [here](#) for options to get tested.
