I found the politics of London much more dynamic being there in person versus just reading and learning about it in a classroom. Meeting with journalists, politicians, and people in the US Embassy made me realize how personally torn individuals are about Brexit. My perspective on how truly divisive the issue is changed throughout the trip.

Stephanie, 2019 Program Participant
COURSE INFORMATION: BRITISH POLITICS: BREXIT & BEYOND (PSCI 4500/8506; INST 4140; BSAD 4000)

May 15 - May 30 in the United Kingdom

Undergraduate & Graduate  |  Spring 2020  |  Spring Lectures on Campus

Study abroad in one of the world's largest and most international cities - London - while getting a first-hand look at British politics and society in this two-week intensive faculty-led program. The program focuses on contemporary British Politics, with a special focus on Brexit, Britain's relationship with the EU, modern political and security challenges, and the urban politics of London. Students will also enjoy excursions to Windsor, Westminster, Stratford-upon-Avon, and the University of Portsmouth.
