STUDENT PERSPECTIVE

" While I was abroad, I had the opportunity to take a Graphic Design course. I still believe that this was one of the best decisions I could have made as a Graphic Design student. Not only did I learn other ways to design, I now can take these skills wherever I go. "

Isabelle, 2018 Graphic Design Study Abroad Student

Undergraduate & Graduate | Spring 2020 | Spring Lectures on Campus May 7 - 16 in China

See the art of design in a whole new way through the Graphic Design Faculty-Led Program in Tianjin, China. During your travels in China you'll experience Tianjin International Design Week, collaborate with a Chinese Art high school, visit the Great Wall and even practice Tai chi. Most importantly you'll have the opportunity to see the practice of design through the lens of a different culture, and add new perspectives to your own repertoire.
