

## STUDENT PERSPECTIVE

“ Dr. Scherer is a very good teacher. The class is focused on teaching students the science and practical advice from positive psychology and humanities, as well as learning how to flourish & lead a more meaningful life.

Tallia, 2019 Positive Psychology Student

### COURSE INFORMATION: POSITIVE PSYCHOLOGY & WELL-BEING IN LONDON, UK (PSYCH 4920 or PSYC 4960)

**Undergraduate | Spring 2020 | Spring Lectures on Campus  
May 09 - May 20 in London**

Learn to enhance your well-being and help individuals and communities flourish and thrive through the Positive Psychology Faculty-Led Program in London. Students will immerse themselves in wellness as well as cultural activities that will deepen their understanding of how to live an engaged and meaningful life. Students will experience positive psychology in a whole new way through a visit to the Museum of Happiness, a guided tour of famous, inspirational speeches in their original locations, lectures from professionals across various disciplines, and a culminating service learning experience to enrich cross-cultural understanding and unity.
