COURSE INFORMATION: SPANISH LANGUAGE IN XALAPA

Undergraduate & Graduate | Summer 2020 | Entire Program in Mexico
5 - 6 weeks in Mexico

On this intensive Spanish language program, you'll spend over a month in a bustling city in south-central Mexico. Xalapa has a large student population, and the city is lively at night with a thriving cultural scene. The city's universities have nurtured a creative community so robust that some residential blocks have more than half a dozen accomplished artists, musicians and photographers living there. You'll grow in your Spanish skills through local homestays as well as exciting excursions with your language immersion classmates.

STUDENT PERSPECTIVE

“Xalapa, Mexico is unbelievably beautiful. It is clearly visible the city takes pride in their culture. When walking down the street, I was surrounded by brightly painted buildings. They weren't very big, but they each had character and were very well kept. There were beautiful murals in the town hall that explained the history of Mexico.”
