

WHAT CAN I DO WITH A MAJOR IN PHYSICS

CAREER OPTIONS

Astronomer*
Computer Systems Analyst
Engineering Physicist*
High School Teacher*
Information Research Scientist*
Medical Professional*
Network Administrator

Physicist*
Professor*
Project Manager
Research Assistant
Technical Consultant*
Technical Writer

*Advanced Degree Required

TRANSFERABLE SKILLS GAINED

Computer skills
Mathematical skills
Research skills
Data analysis

Problem-solving
Critical thinking

EMPLOYMENT AREAS

Computer Science
Corporations
Federal Government
Engineering Firms

Universities/Colleges
Healthcare

INFORMATION WEBSITES

UNO Department of Physics
American Physical Society
