- **I had $40 left in my bank, and the Mav Food Pantry helped me through to a better week!**
- **I am a full-time student who also works full-time. I am someone who you would never imagine needing a food pantry. However, because of the pandemic and rising food costs, I have been unable to make ends meet. The Maverick Food Pantry has been of great assistance to me. I am so proud to be a student at UNO and have access to resources such as this food pantry.**
