Green Team Activities for 2016-2017

The following activities were discussed for the new academic school year:

- Transportation Week: Transportation Showcase outside of HPER from 11-1 Thursday, August 25, 2016. There will be a Zipcar representative present. No more Zimride at UNO. Publicity for event: Facebook page, newsletter, UCOM is having a story. Electronic message will be created.
- Pollution Prevention Week (September 18-24)
- Sustainability Month occurs in October. Sarah Burke will provide information. Students will be able to sign up for "sustainable" challenges each day and have the opportunity to earn prizes through the month of October. Other programming will take place.
- MBA Speaker Series: Next MBA Leadership Seminar is on September 27th. Faculty members, Gina Logon and Doug Derrick, will be featured speakers.
- Seven Days of Service

- Clothing Swap
- Move-Out: Help support in the Spring.
- Earth Day: the CBA Green Team plans on participating.
- Stedman's Café Videos: Jade will be teaming up with Stedman's to create Sustainability videos.
- Waste Sort and Water Taste Test will be done during Earth Week in April 2017.
- Electronics Recycling is in the works.

CBA Green Team 2015-2016 Annual Report Review:

Jean and Jade will go over, then Jade will email out to the team for review.

Mammel Hall Dashboard Descriptions:

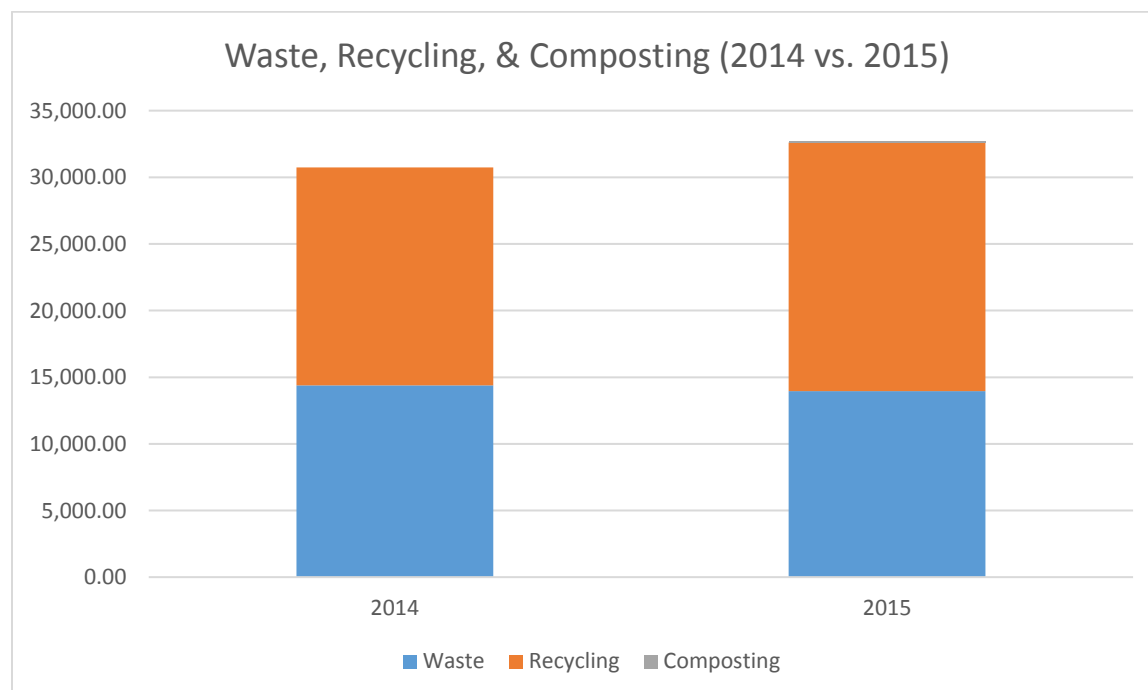

Rick and Sarah will review the Mammel Hall dashboard descriptions. Afterwards, Jade will send out to the rest of the group for review.

Waste Wise/Hydration Station

Waste Wise numbers are reviewed monthly. These numbers include the trash and recycling at Mammel Hall.

Sarah Burke is now collecting hydration station numbers on all campus locations. Jade will continue to collect numbers at Mammel Hall and share them with Sarah on a monthly basis. Jade will include campus numbers to the power point at the September Green Team meeting.

Hydration Station

As of January 2016, Mammel Hall Hydration Stations have prevented 36,662 disposable water bottles.

Hydration Stations (Aug. 2014 - July 2016)

Numbers indicate an increase in water bottle prevention. The hydration stations were used more frequently the last three semesters than the three before it (Fall 2015 prevented more bottles than fall 2014, just as spring 2016 did compared to spring 2015, and summer 2016 to summer 2015).

Announcements/Updates:

1. Stedman's Café:
 - New cups that are completely recyclable and compostable.
 - Use local vendors for all products.
 - Stedman's is getting donuts and pastries through local vendors: Panaderia de Las Americas & Culprit Café and Bakery
 - A Hill of Beans Coffee Roasters will provide local coffee beans.
 - Encourage students to move to Mav Card use.
 - Stedman's will be advertised on food services app/website.
 - Daily specials.
2. Paper Towel Usage: All of campus has new paper towel dispensers. A report will be provided at the next Green Team meeting.
3. Recycling of Batteries and Cell Phones: University does recycle any electronics through Environmental Services. UNO does not currently possess household battery recycling but is being worked on.
4. Composting:
 - Paid for by Orientation for \$1,400 during Summer 2016.
 - Adam Sagert Composting picked up once a week (Friday/Saturday)
 - Recognized need for better promotion and understanding of what composting is.
