Waste Wise/Hydration Station

Waste Wise numbers are reviewed monthly. These numbers include the trash and recycling at Mammel Hall. Per student ratio is also recorded for waste and recycling. This month Brienne added a distinction between the recycling numbers including and excluding the shredding bin. Note: for the buildingOS form the shredding bins are included in the recycling.

January totals:

Trash – 727 lbs
Recycling (total): 1, 417 lbs
Recycling (excluding shredding bins): 807 lbs

Table One on following page shows Jan 2016 waste and recycling per student in comparison to Dec 2015. This information is excluding the shredding bin.
