Stedman's Café

Heather Holmes is the new Assistant Director for the Center of Innovation, Entrepreneurship, and Franchising. She will be working on the new Stedman's Café introduced to Mammel Hall in January 2016. Stedman's Café has taken the place of Wohlner's Café in the atrium of Mammel Hall.

Heather reports that Stedman's Café will offer 0.10 off purchase price for using a reusable mug/container for beverages. Heather will work with Jean on the Stedman's Café Green Team message and with future purchasing of supplies such as cups.

Waste Wise/Hydration Station

Waste Wise numbers were reviewed from January 2015- December 2015. December 2015 totals for trash (895 lbs) and recycling (966 lbs) are recorded. Per student ratio is also recorded for waste and recycling.

Mammel Hall occupants have saved over 55,660 disposable water bottles by using the hydration station (January 2015- December 2015). Per student ratio is also recorded for the hydration station.

### Clothing Swap

The Clothing Swap will be moved to an Earth Week event in April. Annesha has started work on organizing the event and has found a sorority group that is interested in helping out. Earth Week events to include the Clothing Swap will be discussed during the February Green Team meeting.

### Power Dialog Presentation – Eban Goodstein

Sarah Burke, UNO Sustainability Coordinator has secured a speaking opportunity for Eban Goodstein on February 1, 2016. Sarah has invited Eban to speak to UNO students on his topic “How To Get A Job Saving The Planet”. Eban Goodstein will also speak to faculty regarding the Power Dialog.

### 60 Seconds to Green

Sixty seconds to green is a program set up by the Green Team to send messages through newsletter or Daily/Weekly Mav to reach students and faculty regarding quick tips to green. Focus is to engage, exemplify, encourage, and enable readers to make small changes to a greener lifestyle. Chelsea will add a 60 Seconds to Green message to the CBA e-newsletter. Topics discussed were Supply Chain, Energy, and Recycled Paper

### Announcements/Updates

Heather Holmes will join the Green Team as the newest member. Clothing Swap and Earth Week organizing will be added to February agenda. Next Green Team meeting will be February 9 at 2pm.
