Waste Wise/Hydration Station

Waste Wise numbers are reviewed monthly. These numbers include the trash and recycling at Mammel Hall. Per student ratio is also recorded for waste and recycling. Brienne added a distinction between the recycling numbers including and excluding the shredding bin. Note: for the buildingOS form the shredding bins are included in the recycling.

Sarah Burke is now collecting hydration station numbers on all campus locations. Brienne will continue to collect numbers at Mammel Hall and share them with Sarah on a monthly basis. Brienne will include campus numbers to the power point at the April Green Team meeting.

March totals:

Trash – 1,204 lbs

Recycling (total): 1,094 lbs

There was no recycling/removal of the shredding bins in February or March.

Hydration Station

March 2016 hydration station numbers show 5,900 disposable water bottles prevented by students, faculty, and staff using the Mammel Hall hydration stations. As of January 2016, Mammel Hall Hydration Stations have prevented 17,741 disposable water bottles.

Sarah Burke shared overall campus numbers for the hydration stations, excluding the Milo Bail Student center due to construction. There are 32 hydration stations including Mammel Hall and not including

four at MBSC that are collected on a monthly basis. Total of 46,222 disposable water bottles prevented through use of the hydration stations on UNO Campus.

Location	January 2016	February 2016	March 2016
EMBA	678	1,184	1,115
Advising	987	1,722	1,292
NBDC	536	945	686
Accounting	710	1,321	986
Marketing	573	941	814
Economics	807	1,437	1,007
Totals	4,291	7,550	5,900

Comments were made regarding the change from February to March 2016. Spring Break occurred for one week in March which could have been one reason why the decrease in use of the hydration stations.

Power Dialog

The Power Dialog at UNO was held on North Campus on April 6, 2016. Alec Fox, who led the coordination efforts for a Power Dialog event at UNO states via email “UNO represented the state of Nebraska well with a showing of about 30 students, and 10 faculty/staff members attending the meeting. We were planning to have a group from Creighton attend, but none were able to. At the Power Dialog, UNO's Dr. Elizabeth Chalecki spoke regarding the Clean Power Plan, and the future of our planet. After some information about the Nebraska State Government's involvement in sustainability, we had a question and answer session, along with some discussion about students' thoughts on sustainability. Special recognition for the event should go to Sarah Burke, and Dr. Chalecki. Without the two of them, the event would have been impossible. Thanks to anyone here who was able to attend."

The Power Dialog follow up call will be held on April 19, 2016 at 11am CST.

Earth Week

Earth Week is April 18-22, 2016 with Earth Day being on Friday, April 22, 2016. The Green Team will be putting together activities during the week for Mammel Hall.

Waste Sort

The waste sort is scheduled for Monday, April 18, 2016. Brianne is working on volunteers as well as letting facilities know the waste sort will need trash and recycling bags for the event. Six students have signed up to volunteer for the waste sort.

Clothing Swap

Clothing Swap is scheduled for Tuesday, April 19, 2016 from 10:00-1:00pm in the Mammel Hall atrium. Brianne has sent in the contract form for building use and the event has been approved by the CBA Dean's Office. Donation drop off locations are CBA advising office and NBDC office. Brianne will collect clothing at the NBDC office and Annesha will collect clothing at the CBA Advising office. Heather Holmes has offered space by Stedman's Café to have a box with a sign for the clothing swap donation. Student organization Delta Sigma Phi is willing to help and has offered volunteers for the event. Items to be accepted are clothing items although belts, shoes, handbags will not be turned away if donated.

The Clothing Swap information has been sent to University Communications and will be featured in Earth Week events on campus as well as in the Daily Mav/Weekly Mav on April 19th. The message has also been shared on the Mammel Hall digital displays. Clothes have been collected at Stedman's, NBDC, and Advising offices.

Sustainability Efforts at UNO

Sustainability Efforts at UNO will be on Wednesday, April 20, 2016 from 3-4pm. This event is hosted by CBA Green Team, Office of Sustainability, Center for Urban Sustainability, and UNO Student Gov't. Students, faculty, and staff will present on campus efforts for creating a more sustainable campus. This event is open to students, faculty, staff, and the public. Brianne has asked the Green Team members to attend and share events with their students.

Water Taste Test

The Water Taste Test is scheduled for Wednesday, April 20 from 4:30-6pm and Thursday, April 21, 2016 from 10-12pm in the Mammel Hall Atrium next to Stedman's Café. Volunteers are needed to help set up, conduct the water taste test, and participate.

Water Bottles

Water Bottles have been ordered from 4imprint. The company is an approved vendor for UNO licensing. MUD Omaha is sponsoring the water bottles and has offered to sponsor 50% of the purchase price. UNO CBA is also sponsoring the event. Water bottles should be delivered on Wed. April 20. The water bottles will be used as a giveaway item for participating in the water taste test.

Announcements/Updates

1. Earth Day Omaha will be on Saturday, April 16, 2016.
2. CSA (Community Supported Agriculture) at Mammel Hall over the summer. CSA through Tomato Tomato market.

3. New paper towel dispensers at Mammel Hall have cut paper towel use by $\frac{1}{2}$ (from purchasing standpoint). Edward Johnson has received good reviews on the paper towel dispensers. CBA Green Team members like the new dispensers.
4. Mammel Hall room 215 is being tested for a new laser projector rather than the bulb projector. Project bulbs are expensive and need to be replaced more often due to burning out.
