May 2025

## ***Congratulations to our 2025 Nebraska Science Olympiad STATE CHAMPIONS!***

### **What AMAZING young scientists we have in Nebraska!**

The hard work of this year's winners paid off for Brownell Talbot Middle School and Lincoln Science Focus High School. Both schools will represent Nebraska at the [2025 National Science Olympiad Tournament](#), hosted at the University of Nebraska–Lincoln on May 23–24. **We wish them the best of luck!**

**(Division B) Brownell Talbot Middle School**

(Division C) Lincoln Science Focus High School

**Nebraska Science Olympiad 2025 in the books!**

The UNO STEM TRAIL Center proudly sponsored the Nebraska Science Olympiad for the first time this year, supporting two invitational tournaments and partnering with UNL to host the State Tournament on their East Campus on Saturday, April 26.

The Nebraska Science Olympiad is a rigorous academic competition for middle and high school students, designed to inspire and empower Nebraska's young STEM talent. This year, Nebraska supported 91 teams, with 50 advancing to the State Tournament. 525 middle and high school students competed at the state tournament in 23 challenging Science Olympiad events, including written exams, laboratory experiments, and device-building and testing activities.

## How Do We Compare?

2025 Membership Map

Please reach out to [Deanna Johansen](#) if you would like to start a team at your school or volunteer at tournaments for the 2025-2026 year.
