UNO Graduates, May 2015

On Friday, May 8, and Saturday, May 9, more than 1,900 students became new members of the University of Nebraska at Omaha (UNO) alumni network.

Commencement ceremonies were held on the UNO campus both days, celebrating the hard work of undergraduates and graduate students alike.

Included in this list are the names of approximately 1,300 graduates who applied for May 2015 graduation and approved their names for release to hometown media outlets.

The following list is organized alphabetically first by state or country, then by home town and finally by their last and first names.

Each listed name also includes the student's degree and any honors they may have received. Abbreviations for these honors are as follows:

cl = cum laude

mcl = magna cum laude

scl = summa cum laude

em=extra muros

dis = distinction

h dis = highest distinction
