Student Names

UNO's Dean's and Chancellor's Lists

More than 3,200 students were recognized today for their academic achievements at the University of Nebraska at Omaha (UNO) during the Fall 2014 semester.

Every semester, students are selected for inclusion on the Chancellor's List or Dean's List at UNO due to their high academic performance. For the Fall 2014 semester, 692 were named to the Chancellor's List and 2576 students were named to the Dean's List.

To qualify for the Chancellor's List (p. 4 - 31), students must earn a grade point average of 4.0 for courses taken at UNO during the semester, provided 12 or more semester hours were completed.

To qualify for the Dean's List (p. 33 - 155), students must earn a GPAS of 3.5 or better for courses taken at UNO during the semester, provided a minimum of 12 semester hours were completed.

The following lists are organized alphabetically by first and last name.
