

Instructions

Use this form to nominate external faculty to serve as a voting member of your dissertation and or thesis committee.

A **dissertation supervisory committee** must consist of a minimum of four graduate faculty members from any of the University of Nebraska campuses. One member must be from outside of the student's department/school. You may have one additional member of your committee from outside the University of Nebraska system.

A **thesis/thesis equivalent or EdS** must consist of a minimum of three graduate faculty members from any of the University of Nebraska campuses, at least two from the major department/school and one from another department/school. You may have one additional member of your committee from outside the University of Nebraska system. This form must be approved at least one semester prior to graduation.
