

# Fast Track Approval

Graduate Studies | University of Nebraska at Omaha

*Fast Track* offers highly qualified and motivated students the opportunity to complete a bachelor's degree and a master's degree (this does not apply to graduate certificates) in an accelerated time frame. With *Fast Track*, students may count up to 9 graduate hours toward the completion of their undergraduate program, as well as the graduate degree program. This opportunity is available for select programs, as noted in the Graduate Catalog.

## ELIGIBILITY

- Must have a minimum undergraduate GPA of 3.0 (some programs may have higher requirements).
- Eligible students must have completed no less than 60 earned credit hours.
- **This form, with all signatures, must be submitted to the Office of Graduate Studies prior to the start of the semester in which enrollment in the first graduate course is intended. Forms submitted after the start of the semester will not be accepted.**
- Students will work with their undergraduate advisor to register for the graduate course(s). If you are pursuing an undergraduate double major, the undergraduate advisor for each major must sign this form.
- A minimum cumulative GPA of 3.0 in the graduate courses is required to remain in good standing.
- Students remain undergraduates until they meet all requirements for the undergraduate degree, and are eligible for all rights and privileges granted to undergraduate status, including financial aid.
- Near the end of the undergraduate degree, formal application to the graduate program is required. The application fee will be waived; the applicant will need to contact the Office of Graduate Studies for a fee waiver code prior to applying for the graduate program (gradschool@unomaha.edu). If admitted, the admit term for the graduate program must be after the completion term of the undergraduate degree.
- A student cannot participate in Fast Track AND the Undergraduate Junior/Senior Request to Register for Graduate Credit.
