Limited Submission Timeline

When possible, the below timeline will be used for limited submission competitions. If a sponsor posts a limited submission opportunity less than 12 weeks before the external deadline, the Office for Research & Creative Activity (ORCA) will shorten the timeline as needed. When there are less than 6 weeks to the sponsor deadline and no other applicants have been selected, opportunities will be open as first come, first serve.

Selected applicants will be notified at least 6 weeks before the sponsor deadline.

Sponsor Deadline

Selected applicants must work with their Grants Coordinator to finalize and submit their proposal.
