Guest/Parent Access initiated by Student

1. Student will log into MavLINK at my.unomaha.edu

2. Select Profile on the left side menu.

3. Select Guest/Parent Access under the Profile Menu.
4. Enter your guest’s email address and click Submit
5. The student will need to complete the following:

![Guest Management Image]

6. Permissions for Guest need to be setup

![Guest Management Image]

7. Email is sent to Guest.
Your guest account has been created. Click on the link below to verify your email. If you are not redirected, copy and paste the link into a browser window.

Your password was sent in a separate email. We recommend that you change this password by accessing truyou.nebraska.edu (our identity management site), logging in with your NUID / Username and clicking the Change Password link.

Your NUID / Username is: [Redacted]

https://truyou.nebraska.edu/selfservice/guestclaim?identityName=SP724390&claimToken=246aaf8c91f9637a023cbbee027d197d8547ba2

If you have questions or need help, contact your student's campus helpdesk.

TrueYou is the Identity Management system where you manage your authentication information, such as changing your password and answering your authentication questions, or well as managing your parent/guest accounts for the Student Information System.

The initial password for your guest account is: [Redacted]

A separate email was sent containing your NUID / Username with a link to validate the new NUID / Username. You must validate your email prior to using your guest credentials.

If you have questions or need help, contact your student's campus helpdesk.

TrueYou is the Identity Management system where you manage your authentication information, such as changing your password and answering your authentication questions, as well as managing your parent/guest accounts for the Student Information System.

8. Guest goes to TrueYou to create account/Claim Identity.

Claim Your Identity

The University of Nebraska and the Nebraska State College Systems (except UNMC) use a common Student, Faculty and Staff ID number known as the NUID—Nebraska Unique ID. This process will allow you to claim it by creating a TrueYou password and answering challenge questions to help you reset your TrueYou password if needed. The combination of your NUID and TrueYou password is referred to as your TrueYou account.

Enter Your NUID

Temporary Password

Claim ID

If you experience difficulties claiming your TrueYou account using your NUID and Temporary Password, contact your Campus Helpdesk for assistance.
Complete this form to claim your TrueYou Identity

Your NUID:SP724390

Set Your Password

Password must be at least 10 characters long, and must contain uppercase and lowercase letters, numbers, and special characters, and MUST NOT include any personal information like your name, username, birthdate.

New Password

Confirm New Password

Set Your Authentication Answers

Provide answers to at least 5 questions.

What are the last 5 digits of your driver's license number?

What was the name of your elementary/primary school?

What was your favorite pet's name?

What is the name of your favorite childhood friend?

Who was your childhood hero?
9. Once the email has been verified, the guest will receive this message:

![Image of TrueYou IDENTITY MANAGER Claim Your Account]

**Success**
This completes the NUID/TrueYou password (TrueYou account) claiming process.

Your TrueYou account can be used to access University of Nebraska and the Nebraska State College Systems (except UNMC) portals.

**Students, Faculty, and Staff use the following links for PeopleSoft Campus Solutions portals:**

- University of Nebraska at Omaha: [MapLINK](#)
- University of Nebraska at Kearney: [myBlue](#)
- Chadron State College: [myCSC](#)
- Peru State College: [myPSC](#)
- University of Nebraska at Lincoln: [myRED](#)
- Nebraska College of Technical Agriculture: [myNCTA](#)
- Wayne State College: [WildcatsOnline](#)

**Faculty and Staff can use the following link for access to SAP FiReFly:**

- [FiReFly](#)

[Return Home](#)
10. Guest returns to mavlink.unomaha.edu and selects the GUEST login button

11. Guest logs into campus Guest dashboard to view student’s information using their NUID and password from earlier steps.

12. The guest will see all students that have granted them access. This will show the information granted from the Student for Student Records.

   Remember that not all students will grant the same access.
