

Student View of Transfer Credit Evaluation

To look at your current transfer credit evaluation, you can go to MavLINK.
Under the Academics Menu, click Transfer Credit Report.

The screenshot shows the MavLINK website interface. On the left is a dark sidebar menu with the following items: Home, Enrollment (with a dropdown arrow), Academics (with a dropdown arrow), My Grades, My Program, Enrollment Verification, Apply for Degree, Request Official Transcript, Unofficial Transcript, Transfer Credit Report (highlighted with a red arrow), Clearinghouse Self Service, Degree Works, Student Accounts (with a dropdown arrow), and Financial Aid (with a dropdown arrow and an information icon). The main content area has a white background. At the top left of the main area is the MavLINK logo. Below it is the heading 'My Classes' followed by a 'No Enrollment' dropdown menu. A light blue message box contains the text 'You are currently not en...'. Below this is the heading 'My Account' followed by '\$0.00' and a black button with a white dollar sign icon and the text 'MAKE A PAYMENT'.

Here you will find all transfer courses that were rejected and accepted.

The status will say posted and the equivalent course will be listed for those courses that have been accepted.

For those courses with ZTRF equivalencies, you were given elective credit for that subject (ie English or Computer Science elective credit).
