

MyNU

The new MyNU Dashboard was available this past Fall for students that attended more than one NU campus (UNK, UNL, UNMC, or UNO).

This link will allow you to view your intercampus enrollment, student account, financial aid, and request transcripts for any NU campus on which you have been active.

We would appreciate any feedback you have on this new service.

Feedback Survey

The screenshot shows the MyNU dashboard interface. On the left is a dark sidebar with navigation options: Home, Enrollment, Academics, Degreeworks, Student Accounts (with a notification icon), Financial Aid (with a notification icon), Admissions, Messages (with a notification icon), To Do List (with a notification icon), Holds (with a notification icon), Help, Profile, and Sign Out. The main content area is divided into three sections: 'My Classes' with a 'No Enrollment' dropdown and a message 'You are currently not enrolled'; 'My Account' showing '\$0.00' and a 'MAKE A PAYMENT' button; and 'My Important Messages' with three messages: 'Fall bills will be generated August 30, 2019', 'FERPA Policy', and 'New! MyNU Dashboard Now Available'. A 'View All Messages' button is below the messages. On the right side, there is a 'Quick Links' section with a red border around it, containing links for 'gMAV', 'Canvas', and 'MyNU'.
