Billing Notice

The university generates your tuition and fees billing statement in an electronic format (E-Bills). E-mail will only be sent to your UNO E-mail account to notify you that a billing statement has been generated and is available for viewing or printing from MavLINK. Billings are generated on the last business day of the month in which the semester begins and are due on the 23rd of the following month. Please visit Cashiering and Student Accounts for any announcements. In addition, tuition and fee refunds can be directly deposited to your checking or savings account by enrolling via MavLINK. This process saves mailing time, getting your refunds to you more quickly.
