- I. Call to Order 9:01 A.M.
- II. Guests
 - A. Chancellor Li 9-9:30 A.M.
 - 1. Student-facing functions are essential to the university.
 - 2. Growing university also means growing and developing our staff
 - 3. Budget
 - 1. UNO educates over 30% of the system's students
 - a. UNO only receives 11% of the state's appropriation.
 - b. Chancellor Li is advocating for equitable support
 - 2. System is asking for 3%, governor is advocating for 2%
 - 3. UNO has \$460 million budget
 - a. \$162 million operating budget
 - i. Sources for operating budget
 - 1. State appropriations (11%--72 million)
 - a. For every dollar the state
 - appropriates to UNO, UNO returns \$1.20
 - i. The most return on
 - investment in NU system
 - 2. Remaining \$90 million is variable
 - a. Tuition
 - b. UNO is a very tuition dependent university
 - 4. Data intelligence is important for university operations
 - 5. SAC Professional Development Fund will continue to receive \$40,000 per year for staff development.
 - 4. Questions
 - 1. How can we attract students and expand enrollment?
 - a. NE has low unemployment rates

- b. UNO must increase intake of students
 - i. 3 venues
 - 1. Internal within own state
 - 2. Competitive tuition for non-resident students
 - 3. International students
 - ii. Other venues:
 - 1. Reduce general credit requirement for undergrad students
 - 2. Increase transfer students
- 2. Why does UNO only get 11% appropriation?
 - a. State considers other factors in NU campuses to allocate more allocations to UNL and UNMC
 - b. Historically, a few years ago a budget study suggested UNO's budget should increase
 - i. This would imply a reduction of funds for UNL
- 3. What is university doing to make sure salaries competitive?
 - a. Salary pool is decided at president's office
 - i. Still pending
 - ii. Inflationary pressure
 - iii. Birth rate decline
- B. Rachael Jensen, Executive Director, Office of Hardship & Resiliency Support 9:30-10 A.M.
