

UNO Staff Advisory Council (SAC) Delivers Winter Donations to Omaha South

A successful Winter Clothing Drive has been hosted by the UNO Staff Advisory Council (SAC). In partnership with Omaha South Packer Closet, SAC provided winter clothing to Omaha South students and families in need of warmth this winter. In just two weeks, the UNO community supported the cause and donated 113 items! A special thanks go to the UNO Community that supported this cause through generous donations and the Mavigation Station for helping SAC host a donation site.
