UNIVERSITY VILLAGE EMERGENCY PROCEDURES

Fire: You must exit your apartment and report to the clubhouse when a fire alarm is sounding in your building. Never hang anything on sprinkler heads. Lock your door and take your keys and ID with you.

Tornado: University Village (UV) students will be notified of a tornado warning via the campus emergency system speaker in every apartment. Students should go to the Weber Fine Arts Building (see below).

Power Outage: If you experience a power outage, call the front desk or the UV Resident Assistant (R.A.) on duty after hours.

Natural Gas: If you smell natural gas, leave the apartment. Do not use a light switch, telephone or cell phone.

Maintenance: Contact the UV R.A. on duty if you experience any issues with a leaking sink, plumbing issues, or with your heating or A/C unit. Non-emergency maintenance requests should be submitted online.

Winter Weather: Check the UNO website for specific information regarding classes being canceled. You will receive a UNO text alert in the case of classes being canceled.

UNO Lockdown: In the event of a hostile or emergency situation on campus or in the surrounding community, UNO may enact “Shelter in Place.” The “Campus Wide Alert System” will instruct all members of the community to stay in place. All residents and staff members should follow the directions given through the broadcast system.

The University of Nebraska at Omaha shall not discriminate based upon age, race, ethnicity, color, national origin, gender-identity, sex, pregnancy, disability, sexual orientation, genetic information, veteran’s status, marital status, religion, or political affiliation.
