GET INVOLVED

MAVERICK VILLAGE RESIDENCE HALL COUNCIL

Maverick Village Residence Hall council (MVRHC) meetings are for planning social events and discussing any concerns students living on campus may have about their housing experience. MVRHC is the voice of the students living on campus. Executive positions are a great way for students to add experience to their resume, develop leadership skills, and help build a community with other students.

Want to get involved?
Attend our weekly meetings and events! Meeting times will be announced at the beginning of the fall semester. Email unohousing@unomaha.edu for more info.

RESIDENCE HALL ASSOCIATION

UNO’s Residence Hall Association (RHA) is the governing and legislative body for the residential population of University Housing. RHA strives to provide input and suggestions to housing administrators in effort to improve the living experience on campus. RHA officers also represent UNO on the regional and national levels as part of the National Association of College and University Residence Halls (NACURH).

YOUR GUIDE TO LIVING WITH ROOMMATES

KNOW THE RULES
You have a unique opportunity to live in a community with other students. To ensure that this is a positive experience for everyone, make yourself familiar with our community policy book. You can find Maverick Village’s book at housing.unomaha.edu.

DISCUSS COMMON ISSUES

Overnight Guests: Unannounced, too frequent, or disrespectful behavior

Noise Levels: Volume levels of music/TV or loud guests

Food: Sharing, stealing, or cooking

Common Cleaning: Sharing supplies, different definitions of clean, taking out trash, washing dishes, or clutter

Policy Violations: A roommate violating policies within the apartment

IT’S OK TO COMPROMISE
Remember that four roommates means four ways of living. You should be prepared to adjust your expectations according to your roommates and vice-versa.

For example, if you think the trash should be taken out twice a week, but your roommates think once every two weeks is okay, a good compromise could be to take out the trash once a week. Willingness to compromise will make living with roommates more enjoyable.

SHOW RESPECT
No matter the differences between roommates, you all should respect one another. Keep in mind that different does not mean bad. In fact, living with roommates from various backgrounds is a great opportunity to learn about different lifestyles, opinions, and cultures. If you’re committed to respecting those around you, you can live harmoniously with anyone.

BE RESPONSIBLE
Remember to take responsibility for your own space. You and your roommates have to be comfortable with everything that goes on in the apartment.

At the beginning of the year your Resident Assistant (RA) will help you complete a Suite Agreement Form with all of your roommates. This is a required step to live in University Housing and will help start the conversation among roommates about personal living preferences and how to best use the space.

COMMUNICATION IS KEY
For a successful and healthy roommate relationship, the lines of communication must be open. You can’t expect your roommates to read your mind, so be clear about your expectations, feelings, and differences.
ADDRESSING AN ISSUE

Unfortunately, conflicts are almost inevitable when four individuals share one space. Addressing it properly will help to resolve issues and ideally prevent future occurrences. Below are steps for addressing an issue with your new roommates.

1. **Communicate your expectations**
   Roommates can’t read minds. A roommate won’t stop a behavior if he or she doesn’t know that there is a concern. It’s your responsibility to talk to your roommate(s). Let them know what the concern is and try to reach a common understanding or compromise.

   **Tip:** Talk face-to-face with your roommates whenever possible. Leaving notes or sending texts or e-mails is not as effective when discussing conflict.

2. **Talk to your Resident Assistant**
   If you’ve discussed the issue with your roommate(s), but the issue continues, you should let your RA know. Staff members are trained to help you resolve conflicts by assisting in a mediated conversation. Mediation offers roommates a safe space to discuss any issues. Your RA will help you and your roommates come to a solution and create a plan of action.

3. **Sometimes you need a little space**
   If all of your attempts at resolving roommate issues have been unsuccessful, you can request a new room. Keep in mind that you can’t request that a roommate be moved from your current apartment. New room requests can only be processed if a different room is available and has been approved by the University Housing staff. This is a last resort for roommates in conflict.

DO’S AND DONT’S OF SAFETY

Here’s what you should do:
• Keep your doors locked.
• Keep your key with you at all times. Replacements cost $250. A loaner key is available from the Clubhouse front desk upon request. Call the RA on duty after hours.
• Keep an inventory of your possessions and store them in a safe place.
• Purchase renters insurance in case of an emergency or theft. The university isn’t able to reimburse you for the loss of personal items.
• Lock your car door and roll up all windows both on and off campus.
• Close your blinds or curtains after dark. Never dress in front of the window.

Here’s what you should avoid doing:
• Prop building doors open or open doors for anyone without a key or access card for that building.
• Open your door for unknown individuals unless they are university staff. Call Public Safety if the unknown individual makes you uncomfortable.
• Hide your keys under floor mats, over doors, or in other hiding places.
• Enter your apartment if you suspect that it has been entered illegally. Call Public Safety right away.
The Maverick Village Clubhouse is the tornado shelter for Maverick Village students.
EMERGENCY PROCEDURES

It’s important to be alert in emergency situations, especially while living on campus. Here is a list of what to do, where to go, and who to call when an emergency situation takes place.

Emergency Notification

The UNO Alert Notification will allow UNO to send text alerts and emails to you as an emergency is occurring.

Important Contacts

- Front Desk | 402.554.4000
- On-call RA | 402.203.6117
- Public Safety | 402.554.2648
- Public Safety (Emergency) | 402.554.2911

FIRE

You must exit your apartment and report to the MV clubhouse when a fire alarm is sounding in your building. Never hang anything on sprinkler heads. Lock your door and take your keys and ID with you.

MAINTENANCE

Contact the on-call RA if you experience any issues with a leaking sink, plumbing issues, or issues with your heating or A/C unit. Non-emergency maintenance requests can be reported on the housing website.

WINTER WEATHER

Check the UNO website for any specific information about classes being canceled. You will also receive a UNO text alert in the case of classes being canceled.

POWER OUTAGE

If you experience a power outage, call the front desk or the on-call RA if after hours.

NATURAL GAS

If you smell natural gas, leave the apartment. Do not use a light switch, telephone, or cell phone. Immediately report the issue to housing staff.

TORNADO

Maverick Village students will be notified of a tornado warning via the Campus Wide Paging System speaker in every apartment. All students should go to the lower level of the MV Clubhouse.

UNO LOCKDOWN

In the event of a hostile or emergency situation on campus or in the surrounding community, the university may enact “Shelter in Place.” In this situation, the Campus Wide Paging System would instruct all members of the campus community to stay in place. All residents and staff members should follow the directions given through the broadcast system.
CENTRALIZED BILLING

The University of Nebraska at Omaha has a centralized billing system. Access your bill via your MavLINK account or a parent may be set up as guest to your account.

Any charges incurred for tuition and fees and University Housing will appear on one statement. All other billing such as lock outs, damages, recores and other charges will be billed directly from housing to the student and will not be on MavLINK. Payments made for University Housing are applied to tuition and fees first on the centralized bill. Unpaid bills are subject to late fees.

If you are awarded scholarships & financial aid, it will be credited to your UNO Student Account and will be applied against your tuition, fees and housing. This is dispersed once in the Fall and once in the Spring. All scholarships and financial aid that is applied to MavLINK goes towards tuition and fees first then is applied to housing.

For questions related to charges or payments towards your housing on your centralized bill please contact Denise at 402.554.6605.

HOW TO MAKE A PAYMENT

1. Via MavLINK with credit/debit cards.
2. By mail with personal check or money order. Payments should be mailed to:
   University Housing
   Attn: Business Manager
   6608 University Drive South
   Omaha, NE 68182
3. In person with check, cash, credit/debit card or money order (do not send cash through the mail).

Payments can be made at Maverick Village or University Village front desk located in the clubhouse at each location or can be made at Cashiering/Student Accounts located in the Eppley Administration Building.

Please make sure to write your NUID on all correspondence. Make checks payable to “University of Nebraska at Omaha.”

IMPORTANT REMINDERS

Please make sure you are checking your housing balance on MavLINK, especially if you are on a monthly payment plan. An easy assumption is that financial aid, scholarships, or loans covered housing costs, which isn’t always the case. It is important to check your account even if you know you’ve paid your balance.

CANCELLATION POLICY

If you need to cancel your contract please email unohousing@unomaha.edu with a request to cancel your contract. Please make sure you read the housing cancellation policy first. You can find the housing cancellation policy on the housing website.

If you need to cancel your residency after August 1st, here’s what will happen:

1. You would forfeit your $200 deposit for the administrative cancellation fee.
2. You would be billed 50% of remaining balance of contract (based on the payment plan you selected and the day you cancel).

STUDENT CODE OF CONDUCT

Any student removed from campus housing for student conduct reasons may still be held liable for the terms of their contract.

Violating student conduct policies does not provide students the ability to end their housing contract. Students looking to end their housing contract forfeit their $200 deposit for the administrative cancellation fee.
The University of Nebraska at Omaha shall not discriminate based upon age, race, ethnicity, color, national origin, gender-identity, sex, pregnancy, disability, sexual orientation, genetic information, veteran’s status, marital status, religion, or political affiliation.
