

## **Veteran Benefit and Transition Act of 2018 University of Nebraska at Omaha**

Consistent with the Veterans Benefits and Transition Act of 2018, Section 3679 of title 38, United States Code, Section 103, UNO will not impose any penalty, including the assessment of late fees or the denial of access to classes, libraries, or other facilities or services at the institution, for Covered Individuals while waiting on the VA to process enrollment or release funds to the institution for payment of balance. In addition, UNO does not require a Covered Individual to borrow additional funds to cover balances while waiting for VA payments to be received by the institution.

A Covered Individual is any individual who is (1) entitled to education assistance under Chapter 31 (Veterans Readiness & Employment) or Chapter 33 (Post-9/11 GI Bill); (2) has been verified by the school certifying official as benefit eligible; and (3) completed UNO's Notification of Intent or notified the Office of Military and Veteran Services verbally or in writing each term of intent to utilize VA benefits.

This policy is limited to the portion of funds paid by the VA. UNO may require additional payment or impose fees for the amount that is the difference between the amount of the institutional balance and the amount of the VA payment.
