

MAVERICK VILLAGE EMERGENCY PROCEDURES

MV Front Desk 402.554.4000 | MV RA on Duty 402.203.6117 | Campus Security 402.554.2648 | Campus Security Emergency Line 402.554.2911

Fire

You must exit your apartment when a fire alarm is sounding in your building. Report to the MV clubhouse. Never hang anything on sprinkler heads. Lock your door and take your keys and ID with you.

Power Outage

If you experience a power outage, call the front desk or the Maverick Village Resident Assistant on duty if after hours.

Maintenance

Contact the MV RA on duty if you experience any issues with a leaking sink, plumbing issues, or issues with your heating or A/C unit. Non-emergency maintenance requests can be reported on the housing website.

Natural Gas

If you smell natural gas, leave the apartment. Do not use a light switch, telephone or cell phone.

Tornado

Maverick Village students will be notified of a tornado warning via the campus emergency system speaker in every apartment. All students should go to the lower level of the MV Clubhouse.

Winter Weather

Check the UNO website for any specific information about classes being canceled. You will receive a UNO text alert in the case of classes being canceled if you've signed up for that service.

UNO Lockdown

In the event of a hostile or emergency situation on campus or in the surrounding community, the University may enact "Shelter in Place." The "Campus Wide Alert System" would instruct all members of the community to stay in place. All residents and staff members should follow the directions given through the broadcast system.

The University of Nebraska at Omaha does not discriminate based on gender, age, disability, race, color, religion, marital status, veteran's status, national or ethnic origin, or sexual orientation.
