

UNIVERSITY VILLAGE EMERGENCY PROCEDURES

UV Front Desk 402.554.6600 | UV RA on Duty 402.305.3878 | Campus Security 402.554.2648 | Campus Security Emergency Line 402.554.2911

Fire

You must exit your apartment when a fire alarm is sounding in your building. Report to the clubhouse. Never hang anything on sprinkler heads. Lock your door and take your keys and ID with you.

Power Outage

If you experience a power outage, call the front desk or the UV RA on duty if after hours.

Maintenance

Contact the UV RA on duty if you experience any issues with a leaking sink, plumbing issues, or with your heating or A/C unit. Non-emergency maintenance requests should be submitted online.

Natural Gas

If you smell natural gas, leave the apartment. Do not use a light switch, telephone or cell phone.

Tornado

UV students will be notified of a tornado warning via the campus emergency system speaker in every apartment. Students should go to Weber Fine Arts Building.

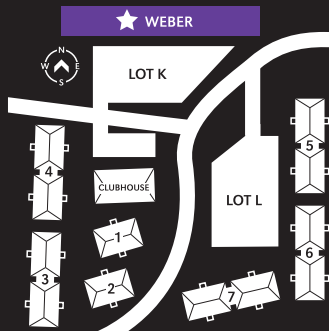

Winter Weather

Check the UNO website for any specific information about classes being canceled. You will receive a UNO text alert in the case of classes being canceled if you've signed up for that service.

UNO Lockdown

In the event of a hostile or emergency situation on campus or in the surrounding community, the University may enact "Shelter in Place." The "Campus Wide Alert System" would instruct all members of the community to stay in place. All residents and staff members should follow the directions given through the broadcast system.

UNIVERSITY OF
Nebraska
Omaha

The University of Nebraska at Omaha does not discriminate based on gender, age, disability, race, color, religion, marital status, veteran's status, national or ethnic origin, or sexual orientation.

UNO ALERT NOTIFICATION allows UNO to send text alerts and emails to you as an emergency is occurring. Sign up at: emergency.unomaha.edu/alerts.php
