

COMING MAY 2016

Fresh Food Delivered To You!

It's time for TOMĀTO TOMÄTO's CSA!

Community Supported Agriculture, or CSA, is a coordinated effort to link local farmers with local individuals and families who desire to eat fresh produce and dairy while supporting the local farm economy.

Tomāto Tomäto understands how hectic and crazy life can get. We have developed a corporate program designed to help alleviate some of the everyday stresses of life.

Your employer has chosen to give you the opportunity to participate in the corporate membership program— we will deliver it right to you at work. The season is 15 weeks long and will run from May 16-August 26. Allow us to make your summer just a little easier!
