

HEFTY® ENERGYBAGS™ SPECIAL REQUESTS

PLEASE NOTE: THIS PROGRAM IS DESIGNED TO RECOVER PLASTICS NOT ACCEPTED IN UNO'S CURRENT RECYCLING PROGRAM. PLEASE STILL PLACE ALL RECYCLABLE PLASTICS IN THE NEAREST RECYCLING RECEPTACLE.

LARGE EVENTS AND ACTIVITIES

Are you planning a large event or activity that has the potential to generate a large amount of plastics suitable for the Hefty® EnergyBags™, i.e. potato chip bags or candy wrappers? If so, contact the Office of Sustainability and we will work with you to provide large orange bags for your event.

The Office of Sustainability will have a supply of 30- and 55-gallon orange bags to be used during the events. The Office will work with organizers to determine the quantity of bags needed and any other logistics needed to handle the bags.

PACKING MATERIALS

Will your office or department be receiving a large amount of plastics suitable for the Hefty® EnergyBag™ program, such as packing peanuts, bubble wrap, or thin plastic wrappers? If so, contact the Office of Sustainability and we will work with you to provide large orange bags to collect the material.

The Office of Sustainability will have a supply of 30- and 55-gallon orange bags available for use to collect large quantities of acceptable plastics that offices and departments acquire during the receipt of products. The Office will work with offices and departments to determine the amount and size of bags needed based on the materials being received in deliveries.
