Welcome to UNOTheatre! You've discovered a safe and inviting haven to nurture the art of storytelling. We eagerly anticipate collaborating with you and being a valuable part of your academic journey. To our new students, find inspiration and guidance from our returning students, who will serve as mentors and friends. As always, we encourage our upper division students to extend a helping hand to our newcomers, assisting them in acclimating to this warm and all-embracing atmosphere. Let's embark on a fantastic academic year and production season, brimming with creativity, exploration, and a strong sense of community. Together, we'll create something extraordinary!

We invite you to the annual THEATRE RALLY on SATURDAY, AUGUST 19, from 4:00-5:30, live in the theatre. This is an excellent opportunity to forge lasting connections, meeting or reuniting with the program's faculty, staff, and fellow students. During this gathering, you'll be informed about our productions and various special opportunities, while also having ample opportunities to seek answers to any questions you may have. Your attendance is mandatory and crucial, so we sincerely hope you'll do your best to be there. We eagerly anticipate a fantastic turnout and hope that YOU will be a part of it. Oh, and did we mention? There'll be FREE FOOD!

We have a wonderful season filled with both challenges and rewards, regardless of whether you're performing on stage or contributing to production crews. I wholeheartedly encourage you to seize every chance for personal growth and exploration throughout this year. The narratives we'll be sharing are entertaining and significant, and we're genuinely excited to hear your unique voice in the mix. Here's the best advice I can offer: Dive in with both feet and be fully "present" in class, productions, and all your endeavors. Don't hesitate to ask plenty of questions; we're here to assist you every step of the way. Let's make this an extraordinary journey together!

In the section to the left, you will find important links and details regarding auditions workshops, auditions, portfolio reviews, and tech interviews. If you have any questions, please reach out to me or any of our faculty and staff. We are here for you and we are looking forward to another exciting year at UNOTheatre.

Most importantly, take risks, try, fail, try again, succeed and learn. Break a leg!
