CLINICAL MENTAL HEALTH INTERNSHIP SITE LIST

UPDATED SUMMER 2015

The following list is designed to give students a starting point when looking for an internship site. It is by no means an exhaustive site list of Omaha metro area sites and agencies. Not all sites on this list have been vetted and approved as acceptable sites by the department. Contact Dr. Carter prior to securing a site or with any additional questions you may have as you begin searching for and securing an internship site placement.
