Dependent on available funds, two scholarships, each worth \$250, will be awarded to applicants selected from those who attend the Showcase.

A committee of Phi Delta Kappa members will make the selection based upon information provided upon the application. The decision will be based upon their judgment of the applicant's potential success as a teacher. Class standings, grade point average, school and community participation, and the content of the response to why you are interested in a career in teaching will be used to make the decision. Your signature on the application gives permission to the selection committee to verify your stated class rank and G.P.A. with your high school records office.
