

# HATE CRIME

# VS

# REGULAR CRIME

A hate crime is different than a regular crime in that the act is motivated by real or perceived bias against someone due to race, religion, ethnicity, sexual orientation, age, gender, or disability. When a hate crime is committed, it sends a message to a whole community, not just the individual victim, that they are not welcome or safe.

If you experience or witness a hate crime, please contact one of the following:

## **FOR IMMEDIATE ASSISTANCE**

Call Campus Security at 402.554.2911

Send an anonymous text to 50911,  
with "UNO911 + your message"
